
Burro Canyon can be reached by taking the Azusa Ave. exit off the 210 Fwy. Azusa Ave. turns into San Gabriel Canyon Road. Drive north approximately 11 miles into San Gabriel Canyon and turn right at the junction of the East fork Road and Route 39. Drive 1 mile on East Fork Road to the entrance of Burro Canyon. Driving time from the 210 Fwy. is approx. 20 mins.

In case of closure of Route 39, the alternate route is to take Azusa Ave. to Sierra Madre Ave. (Last signal light before Azusa Ave. becomes two-lane mountain road). Turn right on to Sierra Madre Ave. and travel 4 miles east to Glendora Mtn. Rd. (GMR). Turn left on to GMR and travel approx. 11 miles to East Fork Rd.; turn left on to East Fork Rd. and travel another 4 miles to Burro Canyon. Driving time from the 210 is approx. 40 mins.
